EXTRA/EXTENDED OPENING

Price

| | |
|--|--|
| Extra opening ATS | 5940 SEK = minimum price for 6 half hours |
| Extra opening RFF/runway clearance x 1 p | 3900 SEK = minimum price |
| Extra opening RFF/runway clearance x 2 | 7800 SEK = minimum price |
| Extra opening RFF/runway clearance x 3 | 11700 SEK = minimum price |
| Extra opening RFF/runway clearance x 4 | 15600 SEK = minimum price |
| Extra opening RFF/runway clearance x 5 | 19500 SEK = minimum price |
| Extra opening Station service | 3900 SEK = min. price for 6 half hours/traffic officer |
| Extended opening ATS | 990 SEK/half hour |
| Extended opening RFF/runway service | 650 SEK/half hour per man |
| Extended opening Station service | 650 SEK/half hour per traffic officer |

Note 1: Extended or Extra opening can be arranged after request to TWR. It should be made during day time in advance. Minimum number of crew is one Air Traffic Controller and one man at runway clearance, even if RFF is not needed according to TSFS. Extra runway snow clearance personnel might be required depending on weather conditions. (The charge for runway service is the same as for RFF (Fire and Rescue)).

Note 2: The minimum charge for Extra opening is 6 half hours even if less time is used. If the opening concerns a longer period than 6 half hours there will also be a charge for every new period of one half hour. (Please see the rate of Extended opening.) Included is minimum 30 minutes before ETA/ETD and minimum 5 minutes after ATA, and minimum 15 minutes after ATD. In addition there are 10 minutes finishing time. Landing fee and charges for other possible services are added according to the price list.

Note 3: During opening hours RFF according to category B4 (3 men) is provided. If higher category is requested we will charge You for every extra man, according to the rate for Extra opening.

For cat B6, 2000 SEK will be added.

Please contact the airport for details and price regarding stand-by for extra opening.
